

The background of the slide is a dark blue field filled with a complex network of thin, light blue lines connecting various nodes. Some nodes are small white dots, while others are larger, hollow blue circles. In the center of the slide, the text "NORDP" is displayed in a large, bold, white sans-serif font. The letter "O" is replaced by a white sphere with a network of dark blue lines and dots on its surface, mirroring the overall theme of the background.

Elements of Sessions (pre-COVID-19)

Find day/time for optimal audience.

Schedule rooms / refreshments

Get there early. Set up A/V. Take attendance.

Hang back and talk. Drive back. Post resources.

Adaptations of Sessions (COVID-19)

All sessions are virtual.

All sessions are Zoom recorded.

Crew of 4 as production team.

Better attendance. Better outcomes.

Approaching our Cornerstone Events

Research Day

A day long workshop.

Staple of our office since 2014 (2009).

Simultaneous sessions, keynote, recognitions.

Google “mini” Site and Slack as launching pads.

- Sustained conversation with Slack.
- A channel for each session + channel for announcements.
- All session recordings and resources saved in Slack and on Google Site.

DC Trip

A three-day trip.

Staple of our office since 2011.

Without travel, individual meetings, or networking — we struggled to replace.

Created a “TechTalks” style forum with program officers.

- 3 program officers
- 14 faculty
- 1-2 minute talks each
- Response time for POs
